Scholarship Application 2023

Eligibility: The applicant must attend an accredited trade school, junior college, college or university, and may select a two-year or four-year program leading to a recognized undergraduate degree.

Award: Scholarships may vary in value from \$250 to \$1000. Quantity of scholarships is subject to availability of funds. The applicant will be notified in writing on the award status at the end of the review process (usually in November). The recipient is expected to attend the scholarship award presentation in December and also help out with other functions such as the annual Scholarship Breakfast fundraiser and the annual Feast. HGBM will submit the funds directly to the recipient upon receipt of an official copy of the grade transcript demonstrating successful completion of the first semester. The recipient will forfeit the award if it is not claimed within 30 days from the award presentation.

Selection Criteria: In addition to academic achievement, the applicant will be judged on other indicators of talent and leadership potential, including extracurricular activities, work experience, community service, student essay, financial need, and HGBM involvement. Applicants who receive a scholarship and remain in good academic standing may apply in subsequent years.

This scholarship application becomes complete and valid only when HGBM has received all materials at the following address postmarked no later than September 30, 2023.
